IEEE SusTech 2018

Call for Papers

6th Annual Long Beach, CA. November 11-13, 2018

http://ieee.org/sustech

Sustainability: the pursuit of environmentally sound development that meets the needs of the present without compromising the future!

The 6th Annual IEEE Technologies for Sustainability Conference (SusTech 2018) is designed to explore the development and application of science, engineering and technology in achieving a sustainable lifestyle for humanity. It brings together scientists, engineers, technologists and scholars from multiple disciplines to hold a dialogue on environmental issues and collaborate on ideas to develop and utilize innovative tools and intelligent systems to address them. Attendees will learn about the tools, connections and proactive solutions to take their sustainability programs to the next level.

SusTech 2018 will feature **technical papers, posters and workshops.** A number of prominent experts will be giving keynotes addresses, plenary presentations and invited talks. Best Posters and Papers in the conference will be eligible for an award. Full papers will be published in the Conference Proceedings.

Conference content that meet IEEE quality review standards will be submitted for inclusion into IEEE Xplore as well as other Abstracting & Indexing (A&I) databases.

Abstracts are solicited for both oral and poster presentations from industry, government and academia (including students) covering relevant research, technologies, methodologies, tools and case studies. Topics with policy implications are also welcome. Poster presentations this year will be limited to students.

Topics of Interest (see web for full details)

Technologies that contribute to sustainability in all applications affecting human life.

Internet of Things – IOT	**Agriculture & Food Technology**	**Smart Grid**
Renewable/Alternate Energy	**Water Resources Management**	**Energy Efficiency**
Societal Implications	**Intelligent Transportation Systems**	**Electronics**
Quality of Life / Public Policy	**Ocean Waste & Pollution**	**eWaste**
Smart Cities	**Ecological Sustainability & Conservation**	

Instructions to Authors: Submit in **PDF** form, a **two-page (extended) abstract** of the poster or paper for oral presentation via the Sustech 2018 website. For information for authors, please visit the conference website at http://ieee.org/sustech/. Select **Authors** *tab* and follow the instructions there.

Key Dates	**April 30, 2018**	Submission deadline for paper and poster abstracts
	May 14, 2018	Notification of acceptance
	July 1, 2018	Review manuscript submission deadline
	August 31, 2018	Final manuscript submission deadline

SusTech General Chair: Sevada Isayan (isayan@ieee.org)
SusTech Program Chair: Kourosh Sedghisigarchi (kourosh.sedghisigarchi@csun.edu)

Previous sponsors for SUSTECH include the IEEE Phoenix and Oregon Sections, IEEE Region 6, IEEE-USA; and co-sponsored by the IEEE Environmental Engineering Initiative, CES and SSIT.

PLEASE FORWARD THIS NOTICE TO YOUR COLLEAGUES
