Call for Papers - Extended
Orange County, CA. -- April 23-25, 2020

7th Year

Sustainability: the pursuit of environmentally sound development that meets the needs of the present without compromising the future!

The 7th IEEE Technologies for Sustainability Conference (SusTech 2020) is designed to explore the development and application of science, engineering and technology in achieving a sustainable lifestyle for humanity. It brings together scientists, engineers, technologists and scholars from multiple disciplines to hold a dialogue on environmental issues and collaborate on ideas to develop and utilize innovative tools and intelligent systems to address them. Attendees will learn about the tools, connections and proactive solutions to take their sustainability programs to the next level.

SusTech 2020 will feature **technical papers, posters and workshops**. Prominent experts will be giving keynote addresses, plenary presentations and invited talks. Best Posters and Papers in the conference will be eligible for an award. Full papers will be published in the Conference Proceedings.

Conference content that meets IEEE quality review standards will be submitted for inclusion into IEEE Xplore as well as other Abstracting & Indexing (A&I) databases.

Papers are solicited for verbal presentations from industry, government, and academia (including students) covering relevant research, technologies, methodologies, tools and case studies. Topics with policy implications are also welcome.

Topics of Interest (see web for full details)

Technologies that contribute to sustainability in all applications affecting human life.

- | | | |
|---------------------------------|--|-------------------------|
| Renewable/Alternate Energy | Agriculture & Food Technology | Energy Efficiency |
| Internet of Things – IOT | Connected Vehicles | Smart Grid |
| Societal Implications | Ecological Sustainability & Conservation | Solar/Wind Energy |
| Quality of Life / Public Policy | Ocean Waste & Pollution | Sustainable Electronics |
| Smart Cities | Water Resources Management | eWaste |

Instructions to Authors: Submit in **PDF** form, a full submission or a two-page (extended) abstract of the paper for verbal presentation via the SusTech 2020 website. For information for authors, please visit the conference website at <http://iee.org/sustech/>. Select **Authors** tab and follow the instructions there.

There will be a separate call for Posters.

Key Dates	**22-Oct-19**	Submission deadline for paper (or Abstract)
	15-Nov-19	Notification of acceptance
	15-Jan-20	Final manuscript submission deadline

- SusTech General Chair: Charlie Jackson (c.jackson@iee.org)
 Vice Chair: Gora Data (goradatta@iee.org)
 Emeritus Chair and Co-Founder: Ed Perkins (e.perkins@iee.org)
 SusTech Program Chair: Sevada Isayan (isayan@iee.org)
 Vice Chair: Kourosh Sedghisigarchi (kourosh.sedghisigarchi@csun.edu)

Previous sponsors for SUSTECH include the IEEE Oregon, Phoenix, San Fernando Valley, Inland Empire(Foothills), Orange County and Coastal Los Angeles Sections; IEEE Region 6, IEEE-USA; and co-sponsored by the IEEE Environmental Engineering Initiative, CES and SSIT.

PLEASE FORWARD THIS NOTICE TO YOUR COLLEAGUES
