

Sustech 2020

Environmental Sustainability is at the forefront of global issues facing humanity.

The 2020 IEEE Technologies for Sustainability (Sustech 2020) Conference will be held in Los Angeles, CA on April 23-25, 2020 and aims to explore the development and application of science, engineering and technology in achieving a sustainable lifestyle for humanity.

In its seventh year, this growing event is an excellent forum to showcase various technologies that address sustainability topics. Join us in Los Angeles, California as we bring together scientists, engineers, technologists, scholars from multiple disciplines, to dialogue on environmental issues and collaborate on ideas to develop and utilize innovative tools to address the issues surrounding sustainability.

We also have a number of customizable sponsorship opportunities available to your company:

Lunch Sponsor • \$3,000

The lunch sponsor will be recognized on signage and in the conference program, and have a chance to say a few words to attendees.

Conference Bag • \$2,500

Have your logo printed on our conference bag and your company logo will be visible throughout the entire conference and beyond.

Name Badges • \$1,250

Promote your company to the full conference delegation. Name tags will have your company logo printed on them.

Lanyards • \$1,000

By providing lanyards your company will be seen everywhere throughout the conference for the full duration of the event.

Attendee Registration Gift • \$750

Provide a branded gift or educational material to include in each of our attendee registration bags.

Attendee Pens • \$250

Pens branded with your company's logo will be gifted and used at the event. This sponsorship is one that is sure to go home with attendees.
