

IEEE SusTech 2020

7th IEEE Conference on Technologies for Sustainability

April 23-25, 2020

Santa Ana, CA

<http://iee.org/sustech>

Registration for SusTech 2020 is now open!

The 7th Annual IEEE Conference on Technologies for Sustainability (SusTech 2020) is designed to explore the development and application of science, engineering and technology in achieving a sustainable lifestyle for humanity. It brings together scientists, engineers, technologists and scholars from multiple disciplines to hold a dialogue on environmental issues and collaborate on ideas to develop and utilize innovative tools and intelligent systems to address them. Attendees will learn about the tools, connections and proactive solutions to take their sustainability programs to the next level.

Early registration ends April 15.

Note: If you will need a Visa, register early. Visa letters are issued upon full payment.

Venue: DoubleTree by Hilton Hotel Santa Ana – Orange County Airport,
201 E MacArthur Blvd, Santa Ana, CA 92707

Hotel reservations can be made directly with the hotel, see <https://site.ieee.org/sustech/location/>

The **Full Conference Program** schedule (subject to change) is posted. Includes all events and sessions. Paper sessions will be scheduled after reviews are completed. Watch for updates.

Registration options include Author/Presenter, Attendee, Sustainability Forum (Thursday) & Student Poster Competition (Saturday) contestants.

The **Sustainability Forum** on April 23 focuses on industry practitioners and technical professionals. This one-day event features a unique blend of experts in leadership, institutions, and technology. The Sustainability Forum is included with Full registration.

The **Automated Vehicle Workshop** (all day Saturday & included with Full registration) is a hands-on complement to SusTech that details applying open-source software and hardware to building your very own automated vehicle. Separate registration is available, see website.

Student Poster Competition Undergraduate and graduate students are invited to submit abstracts for projects/products in the sustainability topics areas of the SusTech Conference. See website for info.

SusTech 2020 is sponsored by: the IEEE San Fernando Valley, Coastal Los Angeles, Foothill, Metro LA, Orange County, Phoenix and Oregon Sections; IEEE Region 6; IEEE-USA; and co-sponsored by IEEE Technical Activities, PES and SSIT.
