Call For Papers

April 20th-23rd, 2025

The 12th IEEE Conference on Technologies for Sustainability (SusTech 2025) is designed to explore technical development that meets the needs of the present without compromising the future generations. The conference brings together scientists, engineers, technologists, and scholars from disparate disciplines to conduct a dialogue on environmental issues and collaborate on ideas to develop and utilize innovative tools and intelligent systems to address them. Attendees will explore emerging relevant technologies, latest tools, and proactive solutions to take their sustainability programs to the next level.

- **SusTech 2025** is a hybrid event and will feature technical papers & presentations, posters, and workshops.
- Prominent experts will be giving keynotes, plenary presentations, and invited talks.
- Full papers will be considered for publication in the IEEE SusTech 2025 Proceedings.

Conference content that meets IEEE quality review standards and [format](#) will be submitted for inclusion into IEEE Xplore as well as other Abstracting & Indexing (A&I) databases.

Papers are solicited for presentations from industry, government, and academia (including students) covering relevant research, technologies, methodologies, tools, case studies and public policy.

Conference Fields of Interest (see web site for full details)

Inspiring Technology Solutions for Climate Sustainability

Energy Efficiency	Renewable/Alternative Energy	Intelligent Transportation Systems
Applications of AI/ML	Sustainable Electronics	Water & Oceans Resource Mgmt
Societal Implications/Quality of Life	Sustainability Management	Smart and Micro Grids
Internet of Things (IoT) & Sensors	Public Policy	eWaste & Circular Economy

The Conference will also consider submissions representing technology applied to: Agriculture & Food Technology, Ecological Sustainability & Conservation, and Smart Cities.

Instructions to Authors: Submit in **PDF** form, a full submission of the paper for oral presentation via the SusTech website. For information for authors, please visit the conference website at <https://iee-sustech.org> and select the **Details for Authors** menu item (<https://iee-sustech.org/authors/>) and follow the instructions.

There will be a separate Student Poster Competition.
